II. Rationale:

The Officers of the Day (O.D) is an activity of the BSU MENDORO wherein one to three students in one hour per week execute necessary tasks while stationed at the information desk on the lobby. These tasks include pertaining to inquiries of visitors, upkeep of cleanliness of the lobby and immediate surroundings, and monitoring of rain and immediate response to the laundry area. The schedule is decided by the residents based on their class schedule. Attendance sheets are provided on daily basis from Monday to Friday, with any of the MENDORO Officers signing at each end of respective OD schedule to testify the said OD time had been served. When a resident has missed his scheduled time, he can still compensate by serving on a later time within the duration of the OD if there are less than three (3) actively serving residents at that same time. Moreover, checking of the recorded attendance falls within the responsibility of the Secretary, and the Sentinels as needed.

III. Objectives:

This Activity aims to:

1. To provide accurate information and assistance to dormitory visitors.
2. To ensure consistent upkeep and cleanliness of the dormitory lobby area.
3. To cultivate a culture of hospitality and shaped responsibility among residents.

IV. Expected Output:

A consistently staffed information desk with maintained lobby cleanliness, prompt response to weather changes, and accurate attendance records, ensuring smooth daily operations and resident accountability.
